Dear Potential New Member,

Welcome to Kansas State University! We are thrilled to not only have you at K-State but to have your interest in our Greek community. We cannot begin to express how excited we are for you to begin your journey here!

At K-State, you will find women who are committed to service, philanthropy, scholarship, leadership, and so much more. Becoming a member of a sorority will help foster these things in you as well. It is a great way to develop tools and skills that will help you balance not only your college life, but also your life after college.

During the recruitment process, you will meet women from all of our 13 National Panhellenic Council (NPC) chapters. We encourage you to go into each day with an open mind and a positive attitude. Take it all in and enjoy yourself, and try not to stress too much! Each and every chapter on campus is exceptional. Think about what is important to YOU, and look for that in your sorority home.

We want this to be one of the most positive experiences of your college career. Joining a sorority is a unique experience that has the potential to change your life.

We wish you the absolute best luck at K-State and in Panhellenic Recruitment!

Sincerely,

Panhellenic Directors of Recruitment
College Panhellenic Association at Kansas State University

WHAT ARE THE ACADEMIC STANDARDS?
Academics are extremely important to the Greek community, as shown by the all-sorority GPA average of 3.38. It is important to understand the role academic marks play in the recruitment process. Sororities perform very well academically at K-State, and the chapters expect their members to be a part of this high level of academic achievement.

PLEASE NOTE THE FOLLOWING
Panhellenic Council at K-State highly recommends that women wishing to go through recruitment have a 3.0 GPA in high school or 2.8 GPA in college. Each sorority chapter has academic standards for membership. Sometimes the chapters make exceptions, but those instances are rare. To maximize your potential success, please understand the importance of meeting the suggested academic standards.

ARE TRANSCRIPTS REQUIRED?
To verify your registration, we require a copy of your final high school transcript, including your last semester. Please DO NOT send a copy to the Fraternity and Sorority Life at K-State. We obtain a copy via K-State’s student information system. Make sure your high school sends your final transcript to the K-State Admissions Office. College sophomores will need copies of any applicable college transcripts, which can be obtained through your K-State student records.

CAN I LIVE OFF CAMPUS DURING THE WEEK OF RECRUITMENT?
The majority of participants will have K-State Housing and Dining contracts and live on campus. Though taking part in recruitment while living off campus is not a major challenge, it is important to note there are increased expectations of personal responsibility. You need to visit the primary membership recruitment check-in between noon and 4 p.m. Sunday, Aug. 12, at the Derby Dining Center and be at the K-State Student Union by 7 p.m. for the opening program.

WHAT ABOUT MEALS?
We hope you’ll join us on campus for meals during the week. Participants without a K-State dining plan may purchase a 15-meal dining card through the Fraternity and Sorority Life at K-State at recruitment check-in. The card will cover breakfast, lunch and dinner Monday, Aug. 13, through Friday, Aug. 17. Meal cards must be paid for by cash or check (no credit or debit cards) at check-in. Meal times are listed on the schedule. They are not flexible, so please be on time. The days can be very long — you should take care of yourself and eat appropriately.

CAN I LIVE IN THE SORORITY HOUSE AS A NEW MEMBER?
Chapters are only able to reserve bed spaces for women who are current members. The majority of the chapters do not have bed space available for this fall’s new members. Occasionally there will be vacancies, but we do not encourage potential members to rely on this as a housing option.

WHAT IS THE REFUND POLICY?
You may cancel your registration until 11:59 p.m. Wednesday, Aug. 1. Email your first, middle and last name, as well as your home address, to fsl@wildcatorgs.com with “FMR cancellation” in the subject line. Anyone canceling a registration after its submission but prior to the cancellation deadline will receive a refund of 50% of the registration fee. No refunds will be given for any circumstance after the cancellation deadline. Cancellation must be made via email only and be received by the cancellation time and date.
CHECK-IN AND MOVE-IN PROCEDURES

LIVING OFF CAMPUS
If you are living off campus, you need to check in from noon to 4 p.m. Sunday, Aug. 12, on the first floor of the Derby Dining Center and attend the opening program at 7 p.m. in the K-State Student Union Ballroom.

LIVING ON CAMPUS
If you are living on campus, you will be able to begin moving into your actual residence hall room at 10 a.m. Sunday, Aug. 12.

A $45 per day fee will be charged by Housing and Dining Services for the week. This will be posted to your account in KSIS.

It does not matter in what order you accomplish tasks. However, all participants must be checked in for sorority recruitment and moved into their residence hall by 7 p.m. and at the K-State Student Union for the opening program.

The residence hall staff will be available to help you get checked in to your room. For more information on moving into the residence halls, visit the K-State Housing and Dining website.

The residence hall staff will be prepared for you. A resident advisor will be on the floor. No student will be alone on her residence floor during the week of recruitment.

Some participants will find that their roommates will not be taking part in recruitment, and therefore may not be moving into the residence hall early. It is advised you make contact with your new roommate prior to moving in to make any necessary plans.

Recruitment check-in is from noon to 4 p.m. Sunday, Aug. 12, on the first floor of the Derby Dining Center.

Optional parent and family orientation sessions are hosted on Sunday afternoon. These sessions last about 30 minutes. Times will be available at check-in.

All participants will gather in the K-State Student Union Ballroom at 7 p.m. This opening event is only for recruitment participants, so you will need to say your goodbyes to parents and family members traveling with you before this time.

Please check your email for updates and more information on check-in procedures prior to recruitment.
Recruitment is a mutual selection process. After each round of recruitment, you will enter your chapter preferences into a computer system. These are the chapters you wish to visit during the next round. You should make this decision based on your feelings and knowledge of the chapters you visited and be careful not to base your decision on the opinions of others. In the same manner, chapter members will decide whom they would like to invite back to the next round. Before each round, you will receive a schedule of chapters you have been invited back to visit.

After attending your last event of preference rounds, you will make your final preference choices on a computer. Each potential new member will list, in rank order, the chapters whose preference events you attended. By ranking the chapters and submitting your preferences after your last preference round, you are agreeing to accept an invitation to membership from any National Panhellenic Conference (NPC) sorority that you have listed. Once the acceptance agreement has been submitted, it cannot be altered or changed.

After the agreement is submitted, you are bound by the NPC one calendar year rule. This rule states that if you receive an invitation to membership from a group that you have listed and then do not accept it, you are not eligible to be pledged to any other NPC member sorority in the Panhellenic community at K-State or any other institution until primary membership recruitment in fall 2019.

Most of the time, potential members receive their first preference of their remaining choices on Friday. If the potential new member does not receive an invitation from her first preference, she may receive an invitation from her second or third preference. Once a potential new member receives an invitation to pledge a chapter, she becomes a new member of that sorority. There will be a pledging ceremony, in which chapters ask their new members to pledge themselves to the ideals of the sorority. Pledging ceremonies occur during Bid Day activities or at the first chapter meeting. Pledging ceremonies may be formal or informal, depending on the chapter.
LETTERS OF RECOMMENDATION

WHAT IS A RECOMMENDATION?
A recommendation is a personal letter of reference provided by an alumna of a sorority to her sorority’s chapter at K-State. When an alumna asks to write a recommendation on your behalf, you may help by offering a resume complete with high school academic and involvement information, as well as community service involvement information. Alumnae should follow their headquarters’ policy regarding letters of recommendation.

Some chapters require that recommendations be submitted on a special form. These forms may be accessed by alumnae on their national organization’s website, in their organization’s magazine or by contacting the sorority’s inter/national headquarters.

IS A RECOMMENDATION NECESSARY?
Letters of recommendation are not required by the Panhellenic Council at K-State.

WHEN AND WHERE SHOULD LETTERS BE MAILED?
Letters should be mailed before the start of recruitment. Letters of recommendation are to be sent to each individual chapter house. All addresses are located in Manhattan, KS 66502.

PARKING
If you are planning on bringing a car to campus, it is important that you purchase a parking permit through K-State Parking Services. If you live on campus, your permit will be available at your residence hall when you arrive Sunday, Aug. 12. If you live off campus and purchase a parking permit, your permit will be available at Parking Services. All parking permits are good beginning Sunday, Aug. 12.

Order your parking permit online by logging into your KSIS account. Enter your eID and password. Select the “marketplace” option and then “student parking permits.” To order, you just need to know if you will live in the residence halls or off campus. You will not need an exact address or room number.

Parking on campus during the week of recruitment is no different than parking during the school year — all parking regulations must be followed.

Neither the Panhellenic Council nor Fraternity and Sorority Life at K-State can guarantee the security of vehicles and materials left in your vehicles. Be sure to lock and secure your belongings.

IF YOU’RE LIVING ON CAMPUS, you’ll be moving into your residence hall room, so bring those possessions you’ll need for the semester. Here are some important items to pack:

- Sheets, pillow, pillowcases, blankets and towels.
- Toiletries. You should bring all shower supplies and personal toiletry items with you. It may be helpful to bring along a shower caddy and shower shoes.
- A wrap, robe or cover-up to wear when walking to and from the bathrooms.
- A white and/or black dress for Bid Day activities.
- Swimsuit. Some chapters might take a trip to the lake as a sisterhood activity on Bid Day.
- Tennis shoes and comfortable clothes for exercise if time allows.
WHAT TO WEAR

ROUND 1 MONDAY & TUESDAY: OPEN HOUSE
Dress comfortably in your favorite K-State T-shirt and a casual skirt, shorts or capris. Please consider that during events at sororities you may have to sit on the floor. Comfortable shoes and sandals are appropriate. Remember that you’ll be visiting all 13 chapters during this round.

ROUND 2 WEDNESDAY: PHILANTHROPY & COMMUNITY SERVICE
During Round 2, we encourage you to wear your PHC shirt that you will get during check in. Most potential new members choose to wear a casual skirt, shorts or capris. Again, you may have to sit on the floor during conversation periods.

ROUND 3 THURSDAY: SISTERHOOD & HOUSE TOURS
Round 3 is dressier than Rounds 1 and 2. Attire is similar to what you would wear to church or a nice dinner. Appropriate clothing would be a dressier skirt or sundress. When choosing shoes, remember to stay comfortable! If you want to wear heels, we suggest bringing a pair of flats or sandals to use between parties.

ROUND 4 FRIDAY: PREFERENCE
This is the most formal day of recruitment. You should consider wearing what you would wear to a summer wedding or to an important ceremony. Most potential new members choose to wear heels, but bring sandals or flats to wear between parties.

ROUND 5 FRIDAY EVENING THROUGH SATURDAY: BID DAY
Be comfortable! Shorts or jeans and tennis shoes or flip-flops are appropriate.
6 TIPS FOR A SUCCESSFUL RECRUITMENT

TRAVELING BETWEEN CHAPTER HOMES
Breaks are quick! You should ensure you are on time to events by traveling quickly between events. Recruitment guides will offer instruction to help you find your way.

ALWAYS WEAR YOUR NAMETAG
Always wear your nametag visibly.

CONSIDER CARRYING AS LITTLE AS POSSIBLE DURING THE DAY
You will be unable to carry a bag/purse into the chapter facilities. Instead, you will be asked to leave your bag with a recruitment guide, who will watch your belongings. Anything you should need, a recruitment guide will likely have.

AVOID USING YOUR CELLPHONE
You are asked to not carry cellphones during scheduled events. You should leave your cellphones in your residence hall room or in your tote bag that will be kept outside (which are watched by recruitment guides) while you attend events. All recruitment guides have phones in case you are lost or encounter an emergency.

KEEP AN OPEN MIND
Participants who do the best during the process keep an open mind about what they are experiencing. The week may be stressful. Some women may experience disappointment at some point. Participants who learn as much as they can about all of the chapters — and appreciate each for what they can offer — enjoy the recruitment experience more.

RECRUITMENT CONVERSATION TIPS
You will need to be able to talk about yourself and your interests. Because you will visit all chapters on the first two days, sometimes these conversations may become somewhat repetitive. The next column lists common topics discussed during recruitment. Remember, the key to these conversations is to have fun and be yourself!

COMMON RECRUITMENT TOPICS

Academics — During the first two days, expect to talk about your major, why you chose K-State and what made you select your major. Education is the primary reason students are at K-State, so you should be prepared to discuss it.

Summer — You will be asked about summer jobs, vacations and any interesting things you did over the summer. Sharing fun stories about traveling, working, movies you have seen or concerts you have attended will make the conversation much more interesting and fun!

High school activities — These activities give sorority members a good picture of who you are and what types of things interest you. You may spend some time thinking about what you enjoyed participating in during high school: sports, volunteering, clubs or any other hobbies and interests.

Leadership opportunities and involvement at K-State — You also may wish to talk about any goals you have for your college career or if there are any organizations you would like to join. You may meet someone with the same interests who can tell you more about campus involvement. If you are interested in leadership positions within a sorority, they may ask questions about those opportunities.

What you want to gain from being a sorority woman — You should be sure and spend some time thinking about the qualities you would like in a sorority. Here are some examples of what to ask about:

- Academics
- Networking
- Professional development
- Community service
- Leadership opportunities
- Sisterhood
- Social activities
- Time commitments
The Panhellenic Council at K-State has adopted the following regulations so that recruitment may be as fair as possible to all persons concerned. All women participating in recruitment are responsible for becoming familiar with and observing these guidelines. If serious infringements of Panhellenic guidelines occur, penalties may be imposed, including dismissal from the process.

The following, taken from the Panhellenic Council at K-State Membership Recruitment Code of Ethics, applies to potential new members.

**GENERAL GUIDELINES AND EXPECTATIONS FOR POTENTIAL NEW MEMBERS**

1. Prospective members must be enrolled, full-time students at Kansas State University to be eligible for recruitment. Full time is defined as taking 12 credit hours.

2. To participate in recruitment, interested women must not be or must not have been an initiated member of a National Panhellenic Council (NPC) organization and must not have signed a membership recruitment acceptance agreement at K-State in the last calendar year.

3. Panhellenic Council at K-State recommends that women wishing to go through recruitment have a 3.0 GPA in high school or 2.8 GPA in college. Academics are extremely important to our Greek community, as shown by the all-sorority GPA average of 3.38. Each sorority chapter has academic standards for membership. Sometimes, the chapters make exceptions, but those instances are rare. To maximize your potential success, please understand the importance of meeting suggested academic standards.

4. Each potential member should be aware that individual chapters will be following grade requirement guidelines set forth by their individual organizations.

5. Prospective members must register with the Panhellenic Council and pay the established fee to participate in recruitment.

6. Each prospective member is expected to accept the maximum number of invitations for each round to maximize her chances of pledging, except in the case of illness or emergency. Failure to do so will result in being withdrawn from further recruitment activities.

7. Legacies are recruited the same as any other prospective member.

8. Prospective members who sign preference cards and receive bids at the end of the formal recruitment period are bound to that sorority for one calendar year at Kansas State University. While they are not obligated to pledge that sorority, they may not pledge another NPC sorority at K-State or at any other institution within that year.

9. Prospective members may not use alcohol or illegal substances from the time they move into recruitment housing until the close of Bid Day.

**POTENTIAL NEW MEMBER'S BILL OF RIGHTS**
